**From the Stewardship Committee – Did You Know?**

*Honor the Lord with your wealth and from the firstfruits of all your produce; Proverbs 3:9*

Many people give God their leftovers. If they can afford to donate anything, they do so. It is better to give God the first part of our income. This demonstrates that God, not possessions, has first place in our lives and that our resources belong to Him. Giving to God first helps us conquer greed, helps us properly manage God’s resources, and opens us up to receive God’s special blessings.
