All Saints Day is Observed During this Weekends Services

It is a day when we commemorate those we have lost during the past 12 months as well as the Christians who have lived before us and have testified to their Christian faith.

The beautiful picture of the saints before the throne brings us comfort as we remember our loved ones who have passed before us and strengthens our hope in the resurrection of the body and the life everlasting. On the last Thursday of November we celebrate Thanksgiving Day which provides us with the opportunity to pause and thank our God for his mercy which endures forever and his providing of so many spiritual and physical blessings day after day.
